Customer No. 22801

Sir:

Applicant hereby requests to extend the period for filing a reply in the above identified application pursuant to 37 CFR 1.136(a). A Final Office Action in the above identified application was mailed March 23, 2004. A response to the Final Office Action was submitted May 19, 2004, and an Advisory Action was mailed August 23, 2004. Because Applicant's response was filed within two months of the mailing of the Final Office Action, but the Advisory Action was not mailed until after the end of the three-month shortened statutory period, then the extension fee should be calculated from the mailing date of the Advisory Action rather than the mailing date of the Final Office Action. Accordingly, Applicant

respectfully submits that only a one-month extension of time is necessary.  
Accompanying this petition is the \$110 fee for a one-month extension of time.

If an additional extension of time is necessary, Applicant hereby requests any such extension of time that is necessary and authorizes any extension of time fees associated with the above identified application to be charged to Deposit Account No. 12-0769.

Date: 9/21/04

Respectfully Submitted,
